Docket No. 86 Pg. dated 24-2-1912 from the Deputy Commr., Hassan Dist., to the Sanitary Commr.

With reference to his docket No. 651 dated the 2nd August 1911 and subsequent reminders, requesting that the circumstances under which the marginally noted shed materials were supplied to the people at half cost during 1908-09, may be stated, has the honor to state that it is ascertained that in a solitary instance 4 big props, 6 small ones, 20 big bamboos and 50 small bamboos were supplied at half cost to one Narayana Iyengar by the Vice President, Hassan Town Municipality, has now reported in his Yadi No. 185 dated the 15th Instant that no reference is forthcoming in his office to show the circumstances under which the above said materials were supplied at half cost during 1908-09.

Big bamboos...320
Small bamboos..50
Big props.....53
Small props....76

2. As regards the remaining shed materials which were supplied to the people of Grama Union the Amildar of Hassan Taluk has stated in his report No. 775 dated the 19th March 1909 that these shed materials were supplied to the people on condition of their paying the full value after receipt of information from the District Forest Officer as to the actual cost price of the shed materials but they subsequently pleaded their inability to pay at that rate on the ground that the rate charged by the Forest Department was too high. The Amildar further added that all the recepients of the materials are poor, that they deserved some concession at a time when the village had to be completely evacuated promptly and that the shed materials were supplied to the people at half cos

cost. Hence the action of the Amildar regarding the recovery of half cost from the purchasers was accepted and duly accounted for.
